

w Equal Variance

Student's t-test

- onebox mean difference
- onebox mean t (stddev)
- onebox mean t (mean AD mean)
- onebox mean t (mean AD median)
- onebox mean t (median AD mean)
- onebox mean t (median AD median)

Wilcoxon rank-sum test

- onebox median difference
- onebox median t (stddev)
- onebox median t (mean AD mean)
- onebox median t (mean AD median)
- onebox median t (median AD mean)
- onebox median t (median AD median)

onebox residuals

- onebox rank difference
- onebox rank t (stddev)
- onebox residuals mean difference
- onebox residuals mean t (stddev)
- onebox residuals mean t (mean AD mean)
- onebox residuals mean t (mean AD median)
- onebox residuals mean t (median AD mean)
- onebox residuals mean t (median AD median)

onebox residuals median

- onebox residuals median difference
- onebox residuals median t (stddev)
- onebox residuals median t (mean AD mean)
- onebox residuals median t (mean AD median)
- onebox residuals median t (median AD mean)
- onebox residuals median t (median AD median)

Welch's t-test

- twobox residuals mean difference
- twobox residuals mean t (stddev)
- twobox residuals mean t (mean AD mean)
- twobox residuals mean t (mean AD median)
- twobox residuals mean t (median AD mean)
- twobox residuals mean t (median AD median)

twobox residuals median

- twobox residuals median difference
- twobox residuals median t (stddev)
- twobox residuals median t (mean AD mean)
- twobox residuals median t (mean AD median)
- twobox residuals median t (median AD mean)
- twobox residuals median t (median AD median)
